

THE
AMERICAN JOURNAL
OF
OPHTHALMOLOGY

INDEX TO VOL. XXII.

1905.

EDITED BY

ADOLF ALT, M.D.

ST. LOUIS, MO.

1905.

INDEX TO VOLUME XXII.

ORIGINAL AND SELECTED ARTICLES.

	PAGE
Adrenaline, some experiences with.....	370
Advancement of recti muscles.....	83
Amblyopia, unique cases of.....	51
Argyrol, experience with staining of the skin.....	86
Aseptic and antiseptic work prior to operations.....	10
Bacillus pneumoniae in conjunctivitis.....	1
Bacillus pyocyaneus in conjunctivitis.....	4
Blank cartridge wound of eye.....	5
Cataract, new attempts at cure without operation	202
Choroiditis, central superficial.....	29
Ciliary processes in accommodation	324
Clamps for fixation of eyelid.....	88
Coffee amblyopia	55
Complications following cataract extraction	8
Complications and accidents met with in cataract extraction ..	330
Dionin	39
Ectopia lentis with apparent accommodation	131
Expert testimony in ophthalmology.....	259
Exudate into the anterior chamber, unusual, after extraction..	236
Eye cases, report of several.....	142
Filaria loa	355
Foreign bodies, metallic, in the eye and their removal.....	97
Glaucoma simplex with myasthenia gastrica and intestinalis ..	318
Gumma of the optic nerve	199
Gumma of the optic nerve and choroiditis gummosa	228
Intradural tumor of optic nerve	177
Iridocyclitis albuminurica	170
Iris, double rupture of	138
Iritis, two cases in Bright's disease	195
Keratoconus, treatment of.....	73
Lens, double coloboma of	147
Lens capsule in the operation of cataract extraction	262
Mammalian eye, fundus appearances	291
Mules' operation, technique.....	82

Nitric acid, pure, in treatment of the eye	68
Papillo-epithelioma, epibulbar	242
Pinguecula and pterygium	268
Retrobulbar neuritis, two cases of	163
Retinal changes as an aid to diagnosis	375
Semaphore charts	33
Strabismus, Panas' operation	208
Test type construction, principles of	79
Thiersch grafts	83

SOCIETIES.

American Academy of Ophthalmology and Oto-Laryngology,	252, 289
American Ophthalmological Society	161
British Medical Association	284
Ophthalmological Society of the United Kingdom,	92, 149, 175, 249

ABSTRACTS.

Accommodation, subnormal and premature presbyopia	254
Annular keratitis	186
Asthenopia and eyestrain independent of refraction	188
Blindness and oculomotor palsies from injuries	226
Cancer of the choroid, metastatic	179
Contagious, acute, inflammations of the conjunctiva in children	181
Diaphoresis and diaphoretic agents	180
Entropium, senile, simple operation	155
Errors, slight, of refraction	290
Esophthalmus, differential diagnosis	182
Eye affections in sinus	185
Eyestrain, its importance and limitations	256
Eye symptoms in general disease	184
Haab's giant magnet	156
Hæmorrhage, intraocular	155
Heredity and treatment of squint	157
Loss of visual power in school children	159
Nervous symptoms in children	179
Obstruction of retinal arteries	289
Ocular therapeutics, advances in	189
Ophthalmology, the new	154
Strabismus a clinical and statistical study	159
Strabismus, operative treatment	187

Index. 385

Test of muscle balance for near and distant vision.....	290
Thrombosis, septic, of cavernous sinus	225
Trachoma, non-operative treatment	160
Tubercle of the choroid	150
Visual acuity, comparative, of savage and civilized people....	156
Visual field, contraction of.....	226
X-Ray treatment of external eye diseases	186✓
